The Real Liddy James Anne-Marie Casey

"Smart and funny . . . Liddy will resonate for readers who love strong, mature women with a bit of Irish fire, as with fans of Cecelia Ahern and Marian Keyes and Maria Semple's *Where'd You Go, Bernadette*." --Booklist

A witty and captivating novel about a modern-day superwoman who leans in so far she falls over

Forty-four, fit, and fabulous, Liddy James is one of New York's top divorce attorneys, a bestselling author, and a mother of two. Armed with a ruthless reputation and a capsule wardrobe, she glides through the courtrooms and salons of the Manhattan elite with ease. What's her secret? Liddy will tell you: "I don't do guilt!"

This is the last thing literature professor Peter James wants to hear. Devastated by his divorce from Liddy six years earlier, the two have a tangled history his new partner, Rose, is only just sorting out. But Rose is a patient woman with faith in a well-timed miracle and she's determined to be sympathetic to Peter's plight. Together, Liddy, Peter, and Rose have formed a modern family to raise Liddy and Peter's truculent teen and Liddy's darling, if fatherless, six-year-old.

But when Rose announces she's pregnant, Liddy's nanny takes flight, the bill for a roof repair looms, and a high-profile divorce case becomes too personal, Liddy realizes her days as a guilt-free woman might be over. Following a catastrophic prime-time TV interview, she carts her sons back to Ireland to retrace their family's history. But marooned in the Celtic countryside things are still far from simple, and Liddy will have to come to terms with much more than a stormy neighbor and an unorthodox wedding if she ever hopes to rediscover the real Liddy James.

Fun, fearless, and full of heart, *The Real Liddy James* takes a fresh look at the balancing act every family performs. With the deft characterization and sharp wit that made her first novel an international bestseller, Anne-Marie Casey invites us into the ambitions, passions, and misadventures of this extraordinary heroine.

"Witty, clever, elegantly-written, fascinating and wise. I ADORED." --Marian Keyes, internationally bestselling author

"Whip-smart and crackling with energy . . . had me stopping nearly every page to read paragraphs out loud to anyone who would listen. A true delight!" --Elin Hilderbrand, *New York Times* bestselling author
