Vintage Cars (Five-View) Craig Cheetham

Vintage Cars looks in detail at over 45 of the most collectible and desirable vintage cars from the UK, Europe, and America, providing a unique reference guide to the greatest pre-war automobiles ever built. Each car is presented in 5-view format with key technical innovations and styling features annotated including highlights of the powerplants. Lively text details the car's development and handling while a comprehensive specifications panel provides technical information. Lavishly illustrated with over 400 color photographs, this book will appeal to anyone with a love of the classic motoring era.
